We recommend that you come and visit our school.....

We are the school to choose.....

Are you searching for a primary school that offers a caring environment, with teachers who deliver a high quality education in response to your child's individual needs?

We are the school for you.....

-Our academic achievements are very high—better than many large primary schools—with every child working at their expected level.

-Children with special needs have individual learning plans with stated goals, strategies and timelines.

-Information technology and computers are used daily to ready children for their future learning in life.

What Invermay has to offer:

- Stimulating learning experiences
- Small grades allow for maximum learning
- Highly qualified, enthusiastic and accessible teaching staff
- Personalised attention for every child each day
- Our academic results are in line with or better than the biggest schools in Ballarat
- Buddy program P-6
- All the children have friends from all the classes
- A safe and friendly school environment
- Personal development, self esteem and leadership are a high priority
- Individual learning programs including Literacy Intervention and Reading Recovery
- Daily access to computers— excellent student to computer ratios (1computer:2students)
- Strong focus on parent participation and involvement
- Library, Music and Art specialist classes each week and a Physical Education session daily
- Innovative environmental programs
- Creative art and craft learning experiences
- Focus on the Thinking Oriented Curriculum in all classes
- Unique rural location on the city's edge
- Excellent facilities and extensive grounds
- Close to Invermay Park—safe to ride and walk

These are part of a number of excellent reasons why you should consider choosing Invermay Primary School for your child's education.

Programs offered:

- English
- Mathematics
- Physical Education and Health
- Information Technology
- Thinking Processes
- The Arts
- Science
- Values Education
- Design, Creativity and Technology
- History and Geography
- Annual camp, gymnastics and swimming programs for P-6
