

Invermay Primary School Mobile Phone Policy

PURPOSE

To explain to our school community the Department's and **Invermay Primary School's** policy requirements and expectations relating to students using mobile phones and other smart devices during school hours.

SCOPE

This policy applies to:

1. All students at **Invermay Primary School**
2. Students' personal mobile phones and other smart devices brought onto school premises during school hours, including recess and lunchtime.

DEFINITION

A **mobile phone** is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.

POLICY

Invermay Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At **Invermay Primary School**:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at **Invermay Primary School** during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at **Invermay Primary School** are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that **Invermay Primary School** does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items.

Where students bring a mobile phone to school, **Invermay Primary School** will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At **Invermay Primary School** students are required to store their phones with their homeroom teacher or in the principal's office.

Enforcement

Students who use their personal mobile phones inappropriately at **Invermay Primary School** may be issued with consequences consistent with our school's existing *Student Wellbeing and Engagement* and *Bullying* policy.

At **Invermay Primary School** inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:

- in any way that disrupts the learning of others
- to send inappropriate, harassing or threatening messages or phone calls
- to engage in inappropriate social media use including cyber bullying
- to capture video or images of people, including students, teachers and members of the school community without their permission
- to capture video or images in the school toilets, changing rooms, swimming pools and gyms

Exceptions

Exceptions to the policy:

- may be applied during school hours if certain conditions are met, specifically,
 - Health and wellbeing-related exceptions; and
 - Exceptions related to managing risk when students are offsite.
- can be granted by the principal, or by the teacher for that class, in accordance with the Department's [Mobile Phones — Student Use Policy](#).
