

INVERMAY PRIMARY SCHOOL – staying on track using School Wide Positive Behaviours

Students aim each calendar month to receive more Green T-bird points than Red, to earn participation in a school wide reward.

Using our Matrix of Expected Behaviours, we reward positive learning & social behaviours for all students with a green T-Bird point. Parents can follow their own child's progress online. Individual, class and whole school achievement data is collated and shared using the ClassDojo app.

Happy Kids - High Achievers

Great T-birds are ready to learn inside, outside, on the go and in the digital world. Reward positive learning & social behaviours with a green T-Bird points under our school values of RESPECT, RESPONSIBILITY, COMMITMENT, COOPERATION, HONESTY & EXCELLENCE.

Red T-Bird Point recorded on ClassDojo

A second or third red T-bird Point in that lesson or recess means it time for a change (inside/ outside)

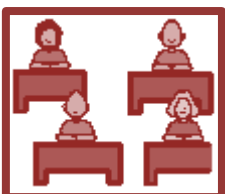

Thinking time – couch, walk, another class, tramp

Reflect with a staff member or school leadership about my choices and what I might do differently next time I'm in a similar situation.

Return to class
Loss of privilege
Make up lost learning time
